REVIEW OF PAST MEETINGS & EVENTS

- Nov – gun cleaning meeting
- Dec 14 – Christmas white elephant exchange meeting
- Nov-Dec – tree sales: need accurate count of trees at the start, Greg can provide baseball clickers; lost 45-50 trees, ran out of trees before end; possible to borrow/rent construction fencing?; storage/trailer alternatives?; need parent presence (on site, not sitting in car); made same amount as last year
- Jan – Scouting for Trees: 129 trees total, council-wide was somewhat lower than last year; last-minute receipt requirement was possibly problematic
- Jan 14 – YWCE: station was a little slow but good overall; put activity tables along the lines to the popular events like rock climbing/kayaking

UPCOMING MEETINGS & ACTIVITIES

- Jan 21 – have been asked to do flag ceremony at BGCTM, mainly just holding the flag
- Jan 25 – troop meeting, probably mostly Klondike planning, need to talk about summer camp
- Feb – Klondike: recruited scouts could come up for the day; Greg has sled
- Feb 8 – Green Bar & troop meeting: scouts will start taking turns as Scribe and taking minutes, and SPL/ASPL will create agendas
- Feb 20 – Fun Day at Wasting Arrows
- Feb 22 – troop meeting
- Mar 8 – Court of Honor in Lodge room
- Mar 17-19 – Murray Lodge weekend (Marin Sierra)
- Nicole interested in running a Snow Sports MB
- Plan a shooting day in the spring?

MEMBERSHIP & TRAINING

- Need to recruit a few new scouts; hard to compete with the troops that have feeder packs
- MB counselors need to confirm with council that they are continuing

- Made close to \$4000 in tree sales, allocated to scout accounts
- Balance ~\$6300 not including scout balances

-

QUARTERMASTER

Meeting adjourned 9:10 pm by Mischelle Leach.

Next Committee meeting in February.
